Strategic Milestone for Thailand's Green Future

Terddumri Company Limited submits major proposal for Green Energy Complex City

On May 8, 2025, **ADMIRAL PATTANA INTARABOON**, advisor to Terddumri Company Limited, officially submitted the project proposal for a groundbreaking Green Energy Complex City to **ADMIRAL JIRAPOL WONGWIT** COMMANDER-IN-CHIEF, ROYAL THAI NAVY.

The handover ceremony took place at the Royal Thai Navy Headquarters in Bangkok, Thailand. With a planned capacity of over 2,000 megawatts, the project represents one of the most significant energy initiatives in the region, aiming to drive sustainable progress and technological innovation. We thank **Admiral Puttana Intharaboon** for his dedicated support and are honored to advance this visionary project alongside such esteemed partners.
